Description

The main ingredients of Repel are citronella and eucalyptus. Thanks to citronella, the fragrant oil is not only suitable for filling your home with fragrance but also for use on terraces and in the garden or other outdoor areas. Repel is a 100% naturally pure blend of oils and is sustainably produced. It contains no synthetic substances, parabens or pesticides and has not been tested on animals.

Additional content

Keeps away annoying mosquitoes

Pure natural oils like citronella and eucalyptus are known for not being liked by insects, which is why they stay away from these scents.

Refreshing fragrance

The Repel fragrance oil spreads a refreshing scent of eucalyptus and citrus. It has a stimulating and invigorating effect on the body.

Versatile use

Repel is suitable for use with aroma diffusers, humidifiers, air washers and other fragrance dispensers. The essential oil can be used indoors and outdoors.
