

Hygiene Tabs / A-140

29.11.2023

Slogan

Keep humidifiers hygienically clean

3 most important features

1. For optimum hygiene in your humidifier and air washer
 2. Biodegradable
 3. Easy to use, gentle on materials and odourless
-

Description

Hygiene Tabs™ from Stadler Form ensure perfect water hygiene in your humidifier and in your air washer. Our specially developed tabs manufactured in Switzerland dissolve without trace in water and start working immediately – without giving off any odour at all. The ingredients remain active even if you add fresh water daily, with 1 hygiene tab guaranteeing hygienically clean water for two weeks.

Additional content

Easy to use

Just add one tablet to the water tank or water container of your humidifier or air washer every two weeks and fill up with water. And that's it: the hygiene tab will then dissolve without trace and enrich the indoor air with hygienically clean water.

Product of Switzerland

Durgol – the Swiss cleaning product specialist – developed the Hygiene Tabs™ specially for Stadler Form. What is more, the unique Hygiene Tabs™ are manufactured in Switzerland.

Good environmental compatibility

Hygiene Tabs™ are biodegradable. They break down naturally, without leaving any residue harmful to humans, animals, or nature.

Healthy humidity

Hygiene Tabs™ ensure healthy humidity throughout the year, guaranteeing optimally humidified and hygienic air for you and your loved ones.
